AIM:- To check Impacts of Russian invasion on women and provide useful aid without gender bias and promote gender equality.

Host:- Mavic Cabela Balleza

This webinar was organized by GNWP (Global Network of Women Peace builders ), Women Activists, Social Reformers , NGO, CSW, and UN particularly regarding Ukraine Crisis.

The speakers and their matter of importance and awareness of the problems faced by Women:-

BETTY OGWARO:-

- High risk of trafficking
- Sexually afflicted diseases
- No education
- Threatening peace and security

HOURY GEUDELIKIAN:-

- NGO CSW expressed their solidarity and extended help for support .

TAWARA ORORODOCA:- (Ukraine)

- Response of Ukrainian Government
- Work as an organization for refugees,women and children
- Declare no fly zones over Ukraine
- People are despondent and helpless.

MARIA DWYTRIYEVA:-

- Russian women supporting the Russian invasion even the feminist this indicates doom of sisterhood
- The ones who need help aren't being mentioned in the International media strict censorship imposed hampers communication.

OTHER FEMALE ACTIVIST:- Ella Lamakh, Victoria Maldiva, Martha Guliyam, Mallika Iyer say that there is immediate need of pregnant women's safety ,access to hospitals and transport . Suspension of Bombarding and sexual rapes leading to death.

**RESULTS:-** There is an urgent need to push and revolt against Russian invasion. Develop Unity , Sisterhood and Solidarity across globe. Consolidation of International Security and start up the practical ground works. Pushing the government for women empowerment sanctions.

**We as the attendees, with many hundreds of girls across the globe were made aware of the life hazards, issues in a war prone area particularly on women being their lives on stake. It made us sensitive and empathetic towards the “countless victims ”doomed due to the hostile wars of Russia and Ukraine.**
